Today's Story for a Walk: Dinosaurs

During your walk, collect and tag images, video, audio, and text to help you tell the story of your topic. Your story must include:

1. Setting: Where does your story take place?

2. Characters: Who are the main characters?

3. Rising Action: What happens at the beginning of your story? What conflict or crisis does the main character face?

4. Climax: What is the turning point in your story? This is the part that leads to the resolution of the conflict.

5. Falling Action: How does your story end?
